I sent an email to Ms Bourne and I will share the same thoughts with you. It is sad when there can not be a civil exchange of ideas, without a person taking the opportunity to editorialize the exchange for their own agenda.

In her blog:

Ms Bourne wrote of your collaborative approach to this issue. Seems odd the two of you have a need to write about Lake County. I am sure there is injustice in your part of the world.

PS I have no issue with you using my name.
